

INDIASTAR 2008 AWARDS

INDIASTAR Award Contest, established in 1972, is firmly entrenched as the most popular and premier event for India's Packaging fraternity. This year the programme with total 357 nominations has set up a record of highest number of entries received ever. Nominations were received for different categories such as:

- Consumer Package
- Eco-Friendly Package
- Food Package
- Pharmaceutical Package
- Packaging Material and Adjunct
- Transport Package
- Packages designed by Students

The Jury Meeting and Evaluation of Entries was held between 18th and 19th July, 2008 at IIP-Mumbai. Eminent Jury members from Government Bodies, Institutions, Consumer Forum and Industry stated: 'Judging was the most enjoyable task, which was spread over 2 days of deliberation and

The contest is growing in its importance due to the tremendous response and setting a new record of maximum nominations in a year.

decision to judge all the entries'.

In fact, the fair initiative to introduce the Student Category Awards has established to capture and recognise the talent of the young people, so as to stimulate them to become the future packaging technologist. The contest is growing in its importance due to the tremendous response and setting a new record of maximum nominations in a year.

PACMACHINE 2008 AWARDS

Packaging machinery sector comprising of making Packaging Converting Machines, Product Packaging Machines and allied equipments have adopted modern technology and even exported these products to developed economies of the world. Most of the Indian packaging machinery manufacturers are well known for producing sophisticated machineries. Specific features that attract the

overseas buyer to the Indian market are flexibility in manufacturing and price of equipment. While meeting the local industry demands to a great extent, the value of Indian packaging machinery export is also at a higher side.

To recognise achievements of packaging machinery sector and to promote their efforts, the Indian Institute of Packaging introduced the PACMACHINE Awards in 1992. The main objective was to recognize the excellence with innovative concepts in design and development in packaging machinery, particularly for import substitution and promoting exports. This year, there were four categories namely:

- Packaging Machinery
- Packaging Conversion Machinery
- Other Packaging Machinery

• Supporting Packaging Machinery

The eminent Jury members from Government Bodies, Reputed Institutions and Industry judged the entries. Nine Entries were selected for the PACMACHINE Award this year.

The Jury Meeting and Presentation of Entries were held on 20th August, 2008 at IIP-Mumbai.

The winners will receive the Awards at a glittering Award Distribution Ceremony. Around 400 members from User Industry, Government Bodies, World Packaging Organization and Asian Packaging Federation including international delegates are invited to be present for the award function on 19th September, 2008 at Hotel Leela Kempinski, Mumbai.
