भारतीय पैकेजिंग संस्थान
Indian Institute of Packaging

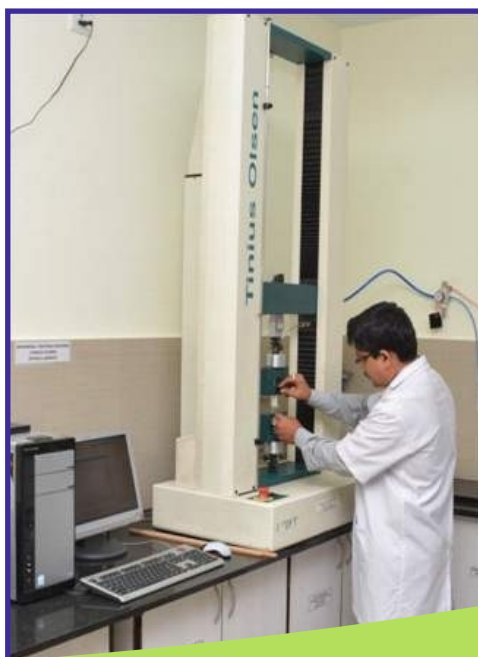

An autonomous body under the Ministry of Commerce & Industry, Govt. of India

Kolkata Centre

Organises

***Two Days Training Programme
On
Testing and Quality Evaluation of
Packaging Materials & Packages***

Date: 21st - 22nd March, 2024

**Venue: Indian Institute of Packaging
Block-CP-10, Sector-V, Salt Lake
Kolkata - 700091**

The Indian Institute of Packaging is an apex body of the packaging industries in India. Ceaselessly working since 1966 with the active support of Ministry of Commerce & Industry, Govt of India and packaging and allied industries.

Over a period of last 57 years, Indian Institute of Packaging has been able to establish the well equipped state of the art laboratories for testing of various packaging materials and packages at its principal laboratory at Mumbai and also its branch offices at Kolkata, Chennai, Delhi, Hyderabad & Ahmedabad.

These Laboratories are fully equipped with more than 160 numbers of very sophisticated and latest equipments both imported and indigenous for conducting more than 350 types of tests of various packaging material, packages as well as ancillary materials covering the different areas like Mechanical, Chemical, Photometry, Barrier & packages.

The diversified activities of the institute encompass the entire spectrum of the packaging including Research, Education, Training & Consultancy Services. The Institute is closely linked with International Organizations Like World Packaging Organization (WPO), Asian Packaging Federation (APF) etc.

RECOGNITION

The Laboratories of the Institute at Kolkata are Accredited to National Accreditation Board for Testing and Calibration Laboratories (NABL), Accredited to BIS as Per ISO:9001:2015, Directorate General of Shipping and Directorate General of Civil Aviation, Government of India.

DIVISIONS OF LABORATORY

- Material Testing Laboratory
- Transport Laboratory
- Barrier Properties Testing Laboratory
