

"The Quality Policy of Indian Institute of Packaging is to perform Mechanical and Chemical testing of Packaging Materials as per National and International Standards like IS/ISO/ASTM/TAPPI/IEC/EN etc.

We believe in and strive for the active involvement of every member of the institute in evolving and implementing an effective Quality Assurance System as per ISO/IEC 17025 : 2005 (E) and Quality Management System as per IS/ISO 9001 : 2015.

We shall endeavor meticulous implementation in compliance with the Quality Manual and to build an effective work culture in the institute. The testing laboratory also follows this quality policy to improve its effectiveness in the testing activities and management system.

The laboratory has made this quality policy available at various locations in the laboratory for communication, understanding, and application within the organization and also uploaded the same on the website of the organization for the reference of interested parties."
