

## **Call for Research Papers and Technical Articles**

Greetings from Indian Institute of Packaging..!!

**Indian Institute of Packaging (IIP)**, an autonomous body working under the administrative control of the **Ministry of Commerce and Industry (MoCI), Government of India (GoI)** publishes bi-monthly journal namely "***Packaging India***", which consists of technical articles, news & updates from Asian Packaging Federation (APF) and World Packaging Organization (WPO), etc. with an aim to provide an international platform for professionals and researchers of packaging industry and academia. The magazine has a significant readership and is circulated to packaging industry, institutes and associations worldwide.

The theme/title of the forthcoming issue of Packaging India (Apr-May 2018) is "***Packaging Machinery and Automation***". Research papers and technical articles are invited from the professionals and researchers from relevant packaging industries and academia, to be considered for publication in the Journal. This particular issue of Packaging India would highlight the latest innovations and recent developments in the field of packaging machinery and automation by the companies or individuals leading to promotion of their product(s) and/or techniques.

The last date for submission of the papers/articles is **7<sup>th</sup> May 2018**.

For any query, please contact at [rd7@iip-in.com](mailto:rd7@iip-in.com) and/or [iipend@iip-in.com](mailto:iipend@iip-in.com)

Thanks & Regards,

**Team Packaging India**
