From the Desk of Director

I have great pleasure in expressing my sincere thanks to the employees of IIP for their dedicated services and contribution to the Institute. I also express my special thanks to all members of Governing body, and to the Department of Commerce, MOCI, Govt. of India for their valuable advice and guidance.

It is worth to mention here that besides performing the regular routine activities of testing and certification, training and education, R&D and Consultancy etc, the Institute also signed a number of MOU's with various academic Institutes for collective research and exchange of scientific knowledge and information.

During the year of 2018-19, the Institute has emphasized more on the packaging research by way of formulating a number of technical specifications as packaging standards for fresh agricultural produce, handloom and handicraft goods for various ministries under Govt. of India in order to increase the marketability of these goods.

I also share that in spite of industrial recession, our 33rd batch PGDP students received record annual salary packages of more than 20, 00,000/Annum.

Once again, I wish to express my sincere thanks and gratitude to all the esteemed members of the Governing body for their unstinted effort and contribution in taking the Institute to greater heights and global recognition.

Ms. Meeta Rajivlochan, IAS

Director

Report from Chairman

Dear Members,

On behalf of the Governing Body, I welcome you to the 52rd Annual General Meeting of the Indian Institute of Packaging.

I am very proud of the tremendous progress in terms of infrastructural facilities made by the Institute over the last couple of years. It gives great satisfaction that the Institute has been able to demonstrate its value by way of enhancement of various activities and also built a confidence among the packaging industry. Moreover, these activities has also converted to strengthen the financial status of the Institute and thus, created a platform for capitalizing on the vast growth potential of packaging industry. Let me take the opportunity to highlight few of the major achievements accomplished during the financial year 2018-19.

The Institute has been able to complete the Construction of Academic block and International Packaging Centre (IPC) at its head office, Mumbai with the financial assistance of Department of Commerce, MOCI, Govt. of India. In addition, the construction of new hostel for students which was partly funded by the Department of Commerce, MOCI, Govt. of India has also been completed.

The Institute is extremely thankful to Ministry of Commerce & Industry, Govt of India for their kind support to get temporary premises at CFC Building, Apparel SEZ, Khokra, Ahmedabad which was allotted by GIDC, Govt. of Gujarat on lease basis for the Establishment of IIP, Ahmedabad centre and this 6th Centre of the Institute has also become operational.

It is heartening to note that the Institute is well positioned to address challenges in Packaging sector and capitalize on opportunities that will arise out of growth and transformation. I am confident that in coming years the Institute would maintain its unique position in the international community as well.

At last but not least I also take this opportunity to express my sincere thanks to "Team IIP" and Dr. NC Saha who superannuated recently from for their sincere and dedicated efforts in taking the Institute to greater heights by way of carrying out different activities and also providing efficient services to industry and students, thus giving the Institute a global image.

While concluding, I would like to place on record my appreciation to all my colleagues on the governing body, past and present, for their valuable contribution to the growth of the Institute and be stand with me in toughest time of IIP history.

With best wishes.

Indian Economic Scenario – for Annual Report 2018-19

India has emerged as the fastest growing major economy in the world and is expected to be one of the top three economic powers of the world over the next 10-15 years, backed by its strong democracy and partnerships. India has retained its position as the third largest startup base in the world with over 4,750 technology start-ups.

India's labour force is expected to touch 160-170 million by 2020, based on rate of population growth, increased labour force participation, and higher education enrolment, among other factors, according to a study by ASSOCHAM and Thought Arbitrage Research Institute.

The interim Union Budget for 2019-20 focuses on supporting the needy farmers, economically less privileged, workers in the unorganized sector and salaried employees, while continuing the Government of India's push towards sustainable packaging, better physical and social infrastructure. The global packaging industry has witnessed a significant transformation over the last few decades and several emerging packaging trends are expected to have huge impact on the global packaging industry growth in 2019. Today's packaging plays a far more complex role than just making containers for products during the process of logistics, sales, and end use. It is now also one of the most essential elements in terms of product design, branding, marketing and user experience. As the global demand for packaging continues to grow and diversify, the packaging industry is likely to be more heavily influenced by consumer preferences, industry dynamics, environmental concerns and developments in technology and manufacturing equipment.

Global Packaging Industry Analysis 2019

According to a recent packaging industry report from Technavio, the global packaging industry market size will grow close to USD 278.59 billion during 2019-2023, accelerating at a CAGR of nearly 6% during the forecast period. The growth in the global packaging market is mainly driven by the increasing demand from end-user sectors such as food and beverage, retail, and healthcare industries.

When it comes to geographic regions, the Asia Pacific has been leading the global packaging industry as one of the major revenue contributors, and its dominance is expected to be maintained during the forecast period. The growth of the packaging market in this region is mainly due to the rise in demand from the e-commerce retail industries in countries such as China, India, Australia, Singapore, Japan, and South Korea.

Technavio has been closely monitoring the latest emerging packaging trends to create an in-depth portfolio of packaging market research reports.

These reports help our clients identify opportunities within the market and develop effective strategies to optimize their market positions.

Packaging Material is Getting Greener

Consumers are getting more and more sensitive to the environmental implications of packaging. Therefore, brands and manufacturers are continuously looking for ways to improve their packaging materials and make an impression in the minds of their customers. Green packaging is one small step towards not only improving the overall brand image but also eco-friendliness. The emergence of bio-based and renewable raw materials along with the adoption of compostable materials have furthered the demand for green packaging solutions as one of the top packaging trends to watch out in 2019. According to the latest market research report from Technavio, the global green packaging market size will grow by USD 95.28 billion from 2018 to 2022, registering a CAGR of over 8% during the forecast period.

According to Technavio's market research, the global luxury packaging market will register revenue of more than USD 19 billion by 2021. The Demand of E-commerce Packaging is Soaring. The growth of the global e-commerce market is boosting the packaging demand around the world, which is another one of the major packaging trends throughout 2019. With the growing popularity of online sales, the demand for packaging products for the safe shipment of products also increases considerably. Technavio's latest market research forecasts that the global packaging market for the e-commerce sector will register a CAGR greater than 8% by 2022.

Govt. of India, has launched the Make in India initiative with an aim to boost the manufacturing sector of Indian economy, to increase the purchasing power of an average Indian consumer, which would further boost demand, and hence spur development, in addition to benefiting investors. The Government of India, under the Make in India initiative, is trying to give boost to the contribution made by the manufacturing sector and aims to take it up to 25 per cent of the GDP from the current 17 per cent. Besides, the Government has also come up with Digital India initiative, which focuses on three core components: creation of digital infrastructure, delivering services digitally and to increase the digital literacy. The recent 30 per cent drop in crude oil prices will benefit many companies from the industry, as plastic is derived from petroleum refining products. To note, the Indian packaging industry has registered a robust growth of 15% CAGR in the last five years and is estimated to achieve \$32 billion annual turnover by 2025. Meanwhile, the food safety and packaging norms are getting stricter and this is expected to promote use of good quality packaging. Also the affordability, smaller urbanized household size and time compression is expected to give way to the packaged food category. Also, the government's

aim to make India a global manufacturing hub will have a positive impact on growth of packaging industry. The transfer molded segment, by molded type, is projected to dominate the molded pulp packaging market throughout 2024

The transfer molded segment is projected to account for the largest share in the molded pulp packaging market, in terms of value and volume, from 2019 to 2024. The rising urbanization and increasing consciousness for better packaging and increasing environmental awareness among people are some of the factors leading to the increased use of molded fiber packaging. Molded fiber packaging not only provides protection but also prevents breakage during transit across the supply chain. Although the demand for recycled packaging has been growing for years, molded fiber has traditionally been associated with items such as box inserts, cup carrying trays, and egg carton packaging that had limited consumer appeal.

India provides a tremendous potential for reuse and recycling of products, there is a felt need for a more comprehensive policy and regulatory simplification aiming at a formal ecosystem and 'ease of doing business' for recyclers.. This includes removing barriers for the input factors, establishing a marketplace for scrap and recycled products, promoting public procurement and enhancing overall consumer awareness, and harmonising standards and certification. In India, 80% of total plastic consumption is discarded as waste and official statistics say the country generates 25,940 tonnes of waste daily. At least 40% of this is uncollected.

Much of the growth in plastic production is driven by single use or disposable applications. Nearly 50 % of plastics used are single use products such as bottles, plastic bags, packaging, straws, stirrers, spoons and forks. Around the world, 1 million plastic drinking bottles are purchased every minute. Every year we use up to 5 trillion disposable plastic bags.

There has been an effort to encourage the alternative uses for plastic waste. The use of 10 to 15 % of plastics in road construction is one such use. Recycling, reuse, or alternative use of plastic waste can help reduce the amount of virgin plastic produced. There are multifaceted effort to address post consumer packaging waste management.

2. E- Beam Radiation Processing of flexible packaging Materials for the improvement of physic-Mechanical properties sponsored by Board of Research in Nuclear Science (BRNS worth Rs.13.60 Lakh)
3. Master Batch Film (MB-film) "Cradle to Grave" Analysis sponsored by Nova Enzo Polymers Pvt Ltd, worth Rs.20 Lakh

Applied R & D Projects / Programs undertaken during 2018 – 2019

1. **Development of Packaging Standards for Bulk & Consumer Packages of CTC & Orthodox tea for export**

The research project on Development of Packaging Standards for Bulk & Consumer Packages of CTC & Orthodox tea for export was undertaken by the Institute on behalf of Tea Board.

The project is undertaken in three stages.

Under Stage 1, study visits were undertaken at the warehouses/auction centres at Kolkata, Siliguri, Cochin, Coimbatore and Guwahati to understand about the existing packaging system for tea and also to identify the packaging requirements to enhance the shelf life of Tea for export. Report submitted to Tea Board.

Stage II involved testing of packaging materials currently used by exporters for consumer packs and bulk packs, shelf-life studies and drawing up of packaging specifications. Testing of packaging materials, shelf-life studies of tea in bulk packs completed and packaging specifications of bulk pack developed, report submitted. Shelf-life studies for consumer packs are in progress.

2. **Package Development for Snack Foods**

The research project on Package Development for Snack Foods was undertaken by the Institute on behalf of M/s Ved Food Products Ltd.

The objective of the project was to develop optimum consumer packages which would extend the shelf-life of poha chiwda and rawa laddu and protect the products from breakage during transportation, thereby reduce the transportation losses and retain its quality of freshness. This would help to market the product for a longer period and distribute to distant places as well as to export the product. Report submitted.

3. **Development of Suitable Package & Formulation of Packaging Specification for Fresh Kiwi from North Eastren States**

The research project on Development of Suitable Package & Formulation of Packaging Specification for Fresh Kiwi from North Eastren States was undertaken by the Institute on behalf of APEDA.

The objectives of the project were :

- To study the existing packaging system of kiwi .
- To study the present practice of distribution network from the production centre.
- To assess the quality parameters of the fresh fruit and its packaging materials
- To undertake the shelf-life study of kiwi in packaged condition by using different type of packaging materials and systems at low temperature as well as ambient conditions.
- To analyse the packaging materials and formulate the technical specifications of the recommended packaging materials.

Report submitted.

4. **Development of Packaging Standards for Tripura Queen Pineapple**

The research project on Development of Packaging Standards for Tripura Queen Pineapple was undertaken by the Institute on behalf of North East Region Livelihood Promotion Society (NERLP).

FINANCIAL PERFORMANCE

During the FY 2018-19 gross revenue of Rs.29.76 crores was reported as compared to previous year of Rs.30.56 crores, thus decrease of 2.63% by Rs.0.80 crores.

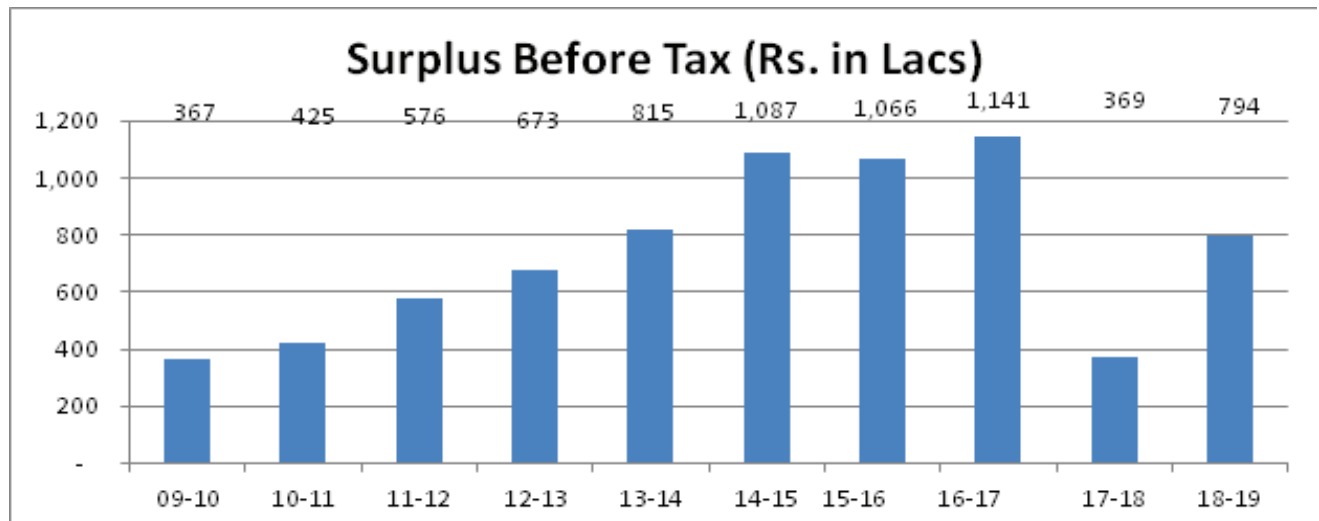

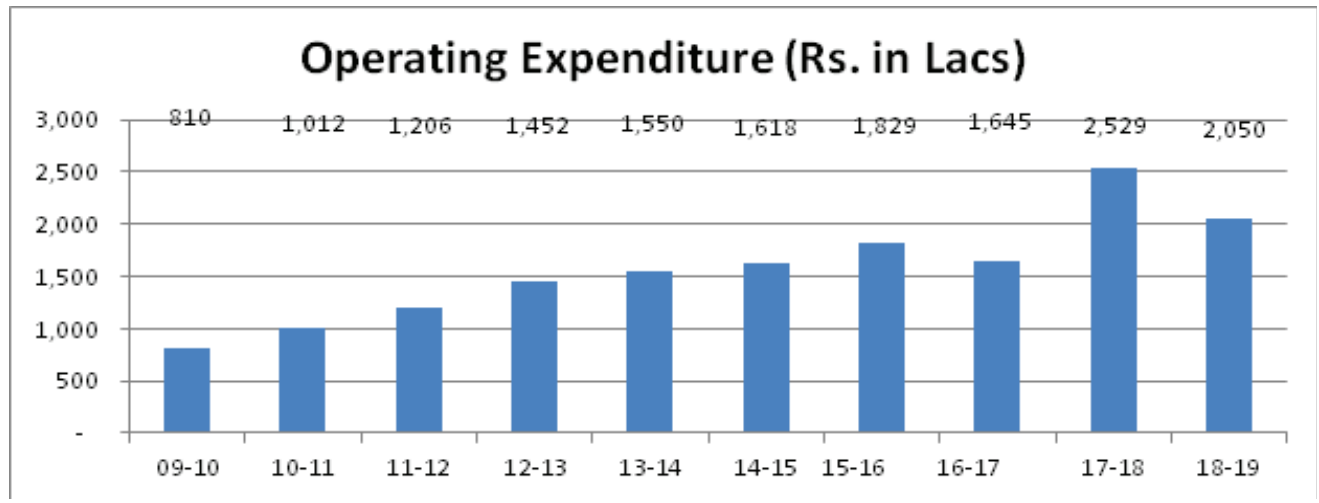

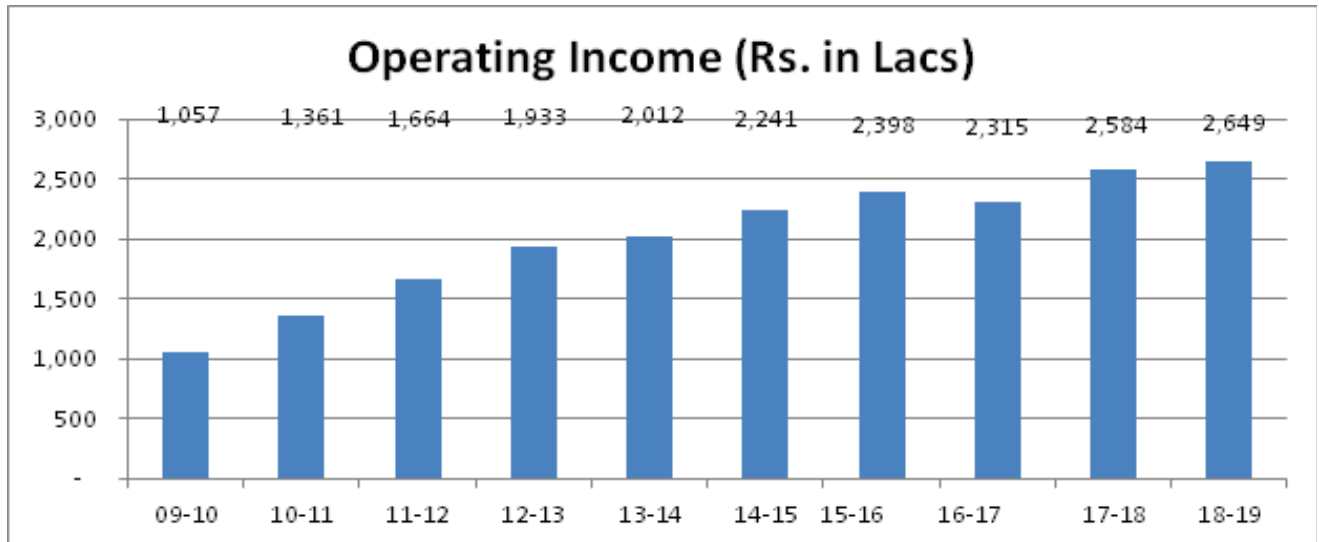

The total expenses of the Institute decreased to Rs.21.82 crores as compared to previous year Rs.26.87 crores, thus decrease of 18.80% by Rs.5.05 crores. This decrease is mainly due to the implementation of pay scale and arrears as per the recommendation of 7th Pay commission and arrears of property tax bill paid during last year i.e. FY 17-18.

Operating income of the Institute has increased by 2.5% to Rs.26.49 crores (FY 18-19) from Rs.25.83 crores (FY 17-18). Operating expenses have decreased by 18.94% to Rs.20.50 crores (FY

18-19) from Rs.25.29 crores (FY 17-18)

Hence the net surplus (before tax) over expenditure has increased by 115.17% to Rs.7.94 crores (FY 18-19) from Rs.3.69 crores (FY 17-18)

The Income & Expenditure Statement, the Balance Sheet together with the Schedules are placed. The statutory Auditors report to the Members of the Institute is also placed.

ACKNOWLEDGEMENT

On behalf of the Institute I extend my sincere gratitude to the members of the Governing Body for their precious time, guidance and support extended throughout the year.

We are grateful to Ministry of Commerce & Industry, Ministry of Food Processing Industry, Ministry of External Affairs, Ministry of Small Scale Industry and other Government Departments in reposing confidence in our activities and supporting us for various programs undertaken in the national interest.

Institute also extends heartiest thanks to Vice Chairmen Mr. Ajay Shah and Mr. Sukumar Shah and all chairmen and members of sub committees for devoting their valuable time and providing necessary guidance to the institute while taking policy decisions.

Institute also takes this opportunity to thank all its valued members, customers, bankers and auditors for extending their support during the year and look forward to their continued association in the years ahead.

I would like to record the appreciation to each and every employee of the institute for their sincere work and efforts to accomplish the objects of the Institute.

One last word ladies and gentlemen, the progress of our Institute, which has been presented to you, would never have been achieved without the vision and leadership of our Director I am sure you all will join me in expressing our heartiest appreciation to her and her team of skilled professionals for the achievements.

AUDITORS' REPORT TO THE MEMBERS

We have audited the accounts of the M/s. Indian Institute of Packaging for the year ended March 31, 2019 as contemplated in the Sub-section (4) of Section 12D of the Societies Registration Act, 1860.

These financial statements are the responsibility of Institute's management. Our responsibility is to express an opinion on these financial statements based on our report.

We have conducted our audit in accordance with the Auditing Standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining on a test basis, evidence supporting principles used and significant estimates made by the management as well as evaluating the overall financial statements presentation. We believe that our audit provides reasonable basis for our opinion and we report as under:

- (a) The accounts are maintained regularly in accordance with the provisions of the Act and the Societies Registration (Maharashtra Rules) 1971.
- (b) The receipts and disbursements are properly and correctly shown in the accounts.
- (c) The cash balances and vouchers in the custody of the Assistant Director (Budget & Accounts) of the Society on the day of audit were in agreement with the accounts.
- (d) All books, deeds, accounts, records, other documents required by us were produced before us.
- (e) An inventory of movables duly certified by the Assistant Director (Budget & Accounts) of the Institute has been maintained
- (t) The Assistant Director (Budget & Accounts) and Deputy Director (Admin & Accounts) furnished necessary information requested by us.
- (g) No part of the property or funds of the Society were applied for any object or purpose other than the object or purpose of the Institute.
- (h) As on 31st March 2019, an amount of Rs.2,09,075/- was outstanding from Sundry Debtors for more than one year and Sundry Debtors outstanding for more than three year was RS. 19,86,000/-
- (i) All expenses incurred on behalf of the society are being sanctioned from time to time by the Governing Body or any other person or persons authorized to do so under the rules and regulations of the Institute.
- (j) Grants and Subsidies from the government are recognized when there is a reasonable assurance that the Grant/Subsidy will be received and all the conditions laid down are complied.

- (k) When the Grants or Subsidies relates to expenditure, those grants are recognized as Revenue Grants over the periods necessary to match them on a systematic basis to the costs, which it is intended to compensate.
- (l) When the Grants are received for acquisition of specific assets under Plan Scheme those Grants have been treated as capital in nature.
- (m) As per Accounting Standard 12 -laid down by the Institute of Chartered Accountants of India, the accounting for Government Grants, grants received for acquisition of capital assets should be reduced from the cost of capital assets purchased. The same principle has been followed during the year by the Institute.

(n) Goods & Service Tax

According to the information and explanations given to us the amount appearing in the books of accounts in respect of Goods & Service Tax liabilities/input Credit do not reconcile with the GST Returns filed by the Institute.

(o) Income Tax

The Institute is an autonomous body and involved in educational activity, research and quality certification and formulation of technical specifications of packaging tor promotion of exports. The Governing Body of the Society has taken decision in its 199th meeting held on 7th January, 2012 to file an application to claim exemption of income under Income Tax Act, 1961.

Accordingly, Institute had filed an application u/s 10(23C) of the Income Tax Act, 1961 with the Chief Commissioner of Income Tax (CCA) on 15.02.2012, seeking approval for exemption of its income. However, the Hon. Chief Commissioner of Income Tax, has denied exemption u/s 10(23C) of the Income Tax Act. 1961 vide order F.No.CCIT/MUM/10(23C)(iv)/373/2012-13 dated 28.02.2013.

Subsequently, Institute has filed Rectification application u/s. 154 of the Income Tax Act, 1961 on 17.07.2013 against the above said order dated 28/2/2013. However the same was also rejected vide order MUM/CC/(HQ)-Tech/10(23C)/373/2013-14 dated 09.10.2013.

The case was further taken up with the Revenue Secretary, Ministry of Finance, Department of Revenue (CBDT) (ITA.1 Division) by the Joint Secretary, Department of Commerce, Ministry of Commerce & Industry vide letter No. 14(11)/2013-TP dated 10.03.2014. In response, Finance Ministry, vide Letter F.No. 196/1 0/2014-ITA-1 dated 28.05.2014 has advised as under:

- a. The application for exemption u/s 10(46)of the Income Tax Act, 1961 may be filled along with the requisite enclosures as per the standardized format to the Commissioner of Income Tax I Director of Income Tax under whose jurisdiction the entity fall s, for seeking the notification of exemption and
- b. Thereafter the copy of the aforesaid application with its enclosures and the acknowledgement receipt as evidence of having furnished the application in the office of jurisdictional CIT/DIT is to be sent to the Under Secretary (ITA-1), Central Board of Direct Taxes.
- c. As suggested above, the Institute has filed an application for exemption u/s 10(46) of the Income Tax Act,1961 with the Chief Commissioner of Income Tax (CCA), Aaykar Bhavan, Mumbai on 11 .09.2014. The Institute has not yet received any correspondence/communication from the CCIT. Hon'ble IT AT Order dated 11.04.2018 in respect of A.Y. 2012-13 & A.Y. 2013-14_ was received wherein it was observed that the income of the Institute be considered as exempt u/s 11 of the Income Tax Act. Accordingly, Hon'ble IT AT in their Order directed the Assessing Officer to consider the observations stated in the said Order.

Considering the above Hon'ble I TAT Order, the Institute has not made any provision for taxation as on 31.03.2019.

(o) Internal Financial Control

In our opinion and according to the audit procedures employed by us and information / explanations given to us, the internal control systems does not commensurate with regard to the reconciliation of Fixed Assets with the books / Fixed Asset Register and Reconciliation of Revenue with the Internal Software i.e LIMS viz-a-viz the books of accounts. In case of branches, there is a scope to strengthen the internal control system with regards to revenue booking.

(p) Emphasis of Matter

We would like to draw attention to the following notes to the financial statements. Our opinion is not qualified in respect of these matters.

Provisions and Contingent Liabilities

We draw attention to Note No (n) of the Notes to accounts regarding Contingent Liability of M/s. Archinova Design INC amounting to Rs 85.06 Lacs, property tax and M/s. A.K Builders which is under litigation/not ascertainable. The provisions and the disclosures with regard to matters under litigations have been made based upon the management estimates.

Fixed Assets

As reported by Note (C) of notes to accounts, Capital work-in-progress, inter alia, includes balances pending capitalization for long-periods of time owing to pending analysis of status, value and obtaining of certificates from the relevant authorities. The said notes to accounts state about physical verification of Fixed Assets, Lease hold premises, capitalization into Capital WIP on provisional basis. The Institute has also stated that it does not have a policy to capitalize the Fixed Assets based on ready to use date of fixed assets; but it capitalizes the assets, on periodic basis as per approval of final bills by the Governing Body.

Current Assets and Current Liabilities

We draw attention to Note No. (i) & U) of Notes to Accounts regarding Debtors and Creditors which states that the respective balance of Debtors & Creditors are subject to ledger Confirmations.

Revenue

We would like to draw the attention to Note (b) of the Notes to accounts which states that the revenue recognition policy of the institute and managements assertion to strengthen the internal Control System of the institute.

Miscellaneous

The accounting policy as referred to in Note (l) to the notes to accounts to the financial statements with respect to the liability on account of Retirement and other employee benefits, a defined benefit plan, is recognized on actual basis in respect of premium paid by the Institute instead of recognizing the liability for the same as the present value of the defined benefit obligation at the balance sheet date calculated on the basis of actuarial valuation in

accordance with the notified

Accounting Standard - 15 on Employee Benefits. The consequential impact of adjustment, if any, owing to this non-compliance on the financial statements is presently not ascertainable.

(q) Presentation of Income & Expenditure Account and Apportionment of Common Expenses

To give true and fair view of the activities carried out by the Institute, the Income & Expenditure Account has been regrouped during the year under the Heads Research & Development, Educational Activities and Others.

Expenses pertaining to Rates, Taxes and Cess, Repairs & Maintenance, Administrative Expenses, Insurance and Legal Expenses are apportioned to Research & Development and Educational Activities on the basis of Gross Revenue earned.

INDIAN INSTITUTE OF PACKAGING

SCHEDULE "L"**NOTES TO ACCOUNTS 2018 - 19**

Significant Accounting Policies and Notes to Accounts**1. Organization**

The Indian Institute of Packaging is a National Institute established in May 1966 by the Indian Packaging and Allied Industry and the Government of India, Ministry of Commerce under the Society's Registration Act, 1860. The Institute's endeavor is to improve the standards of packaging needed for the promotion of exports and help to create infrastructural facilities for overall packaging improvement in India through Research and Development, Problem Solving Consultancy, Testing, Training, Education, Industrial co-ordination, information dissemination and other promotional efforts.

2. Significant Accounting Policies**a) Basis of Preparation**

The financial statements are prepared and presented on the basis of generally accepted accounting principles. The accounting policies are consistently applied by the Institute and are consistent with those used in the previous year. Accounts are maintained on accrual basis except grant-in-aid received from the Government of India, Ministry of Commerce & Industry and employee benefits like, Leave Travel Concession etc.

b) Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Institute and the revenue can be reliably measured.

i) Income from Research & Development Activities

Revenue is recognized on accrual basis whenever services rendered to the client and revenue can be reliably measured.

ii) As regards to the recognition of the Income of testing activity, the Institute follows the method of issuing the certificate along with the Invoices (Mumbai - HO). However, the management has expressed its view to carryout a stringent exercise to integrate the Sales / Revenue reflected in the LIMS System with the Accounting Software (Tally).

ii) Similarly, in respect of research / consultancy income, the revenue is recognized on issue of final certificate/report. In case of any pendency related to such reports, the income recognition is postponed until the completion of service under the said contract/s.

- iii) Further, the clients pay advance to the institute for conduct of testing, certification, etc. and deduct TDS at the same time. However, the revenue on such advances is recognized only when the certificate is issued i.e on completion of service. Therefore, there is a gap between the TDS as reflected on the TRACES portal viz-a-viz that in the books of accounts, which gets reconciled on issue of sales invoice.
- iv) With respect to the branches, the revenue is recognized and controlled through physical registers only.

v) Income from Educational Activities

Revenue from educational activities are recognized on receipt basis.

i) Other Income

- Interest Income is accounted on accrual basis.
- Rental Income & Membership Subscription are accounted on receipt basis.

- ii) The institute has two types of members' i.e life members and annual members. The discount is given to life members @ 15% & 10% towards annual membership. Since there is no practice to carryout overall reconciliation and control of Membership process, the management intends to carry out a comprehensive exercise prospectively to identify, reconcile & integrate the number of annual members existing in each year and accordingly such discount is allowed only to annual members existing in each year.

c) Fixed Assets

Fixed assets are stated at cost, less accumulated depreciation and impairment losses if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use except a land at Sanathnagar, Hyderabad with the old structure built upon it allotted by the Government of Andhra Pradesh (now Government of Telangana) free of cost vide letter no. G.O. Ms. No.428 dt. 24/10/2002 and four acres of land on perpetual lease basis for 30 years at Sompura, 1st Stage Industrial Area, Bangalore District allotted by the Government of Karnataka free of cost vide their Letter No. HO/Allot/Secy/20471/13050/2012-13 dated 03.01.2013. The amount of Rs.30,090/- incurred towards Registration charges of the land at Bangalore is accounted under Fixed Assets.

The Institute has maintained the fixed assets register year after year by adding the assets purchased / capitalized in each year.

Also the Institute has system of verification of the Assets at regular interval. Physical verification of a major portion of fixed assets including capital work in progress was conducted by the Institute itself. Since most of the assets needs to be tagged and verified with their respective code, the management is of the view that the experts in the field needs to be appointed in order to identify, verify, reconcile and align the FA Register with the books of accounts and to deal with the discrepancies which are currently kept in abeyance.

- **Lease Hold Land/Building:**

During the year Institute has acquired Leasehold Building comprising of ground floor, first floor and second floor of CFC building at Apparel Park SEZ, Ahmedabad by Gujarat Industrial Development Corporation at a Lease rent of Rs.18,63,672 for a period of 30 years. The Lease rent thus paid is being amortised over the lease period of 30 years.

Opening Balances comprising of Leasehold land acquired on perpetual lease is stated at the original value and not amortized on year on year basis in the books of accounts.

Further the Institute is in the process of reconciling cost of the above referred Leasehold land as per title deeds / Lease indentures vis a vis consolidated cost appearing in books of accounts as part of the opening balance.

Capital work in Progress of Rs. 73,33,45,435.43 represents the value of major up-gradation of infrastructural facilities undertaken at various locations under Plan Fund Grants as well as under Development Fund earmarked for the same. The details are as follows.

In the case of assets (IPC & Academic Building and B Tech Students Hostel) which are put to use in 2017, where final settlement of bills with contractors is yet to be effected, capitalization of work in progress is to be done on provisional basis subject to necessary adjustment in the year of final settlement amounting to Rs 1.81 Crores.

d) Depreciation

Depreciation is provided using the Written Down Value Method as prescribed under the provision of Income Tax Act, 1961.

e) Impairment

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount after approval of Governing Body of the Institute. The recoverable amount is the greater of the asset's net selling price and value in use.

The Institute has few assets which are not in working condition and does not have any realizable value. The Institute being under supervision of Ministry of Commerce & Industry, the provision of impairment could not be made without prior approval of ministry.

f) Government Grants and Subsidies

Grants and Subsidies from the Government are recognized when there is reasonable assurance that the grant/subsidy will be received and all the conditions laid down will be complied with.

When the Grants or Subsidies relates to an expenditure, those grants are recognized as Revenue Grants over the periods necessary to match them on a systematic basis to the costs, which it is intended to compensate.

When the Grants are received for acquisition of specific assets under Plan Scheme those Grants have been treated as capital in nature.

As per Accounting Standard-12 laid down by the Institute of Chartered Accountants of India, the accounting for Government Grants, grants received for acquisition of capital assets should be reduced from the cost of capital assets purchased. The same principle has been followed during the year by the Institute.

g) Investments

Major Investments being fixed deposits with various banks and long term investments of Rs.137.50 lacs are made in tax free bonds of HUDCO, IRFCL, RECL& NTPC carried out at cost.

h) Inventories

Stock of publication held are charged off during the current year as it consists of old and redundant publications, which are not sale-able.

i) Trade Receivables

Retention Money as per Schedule C para (b) amount to Rs. 1,92,33,056/-, for which confirmations are not received from the parties and are subject to reconciliation and consequential adjustments on determination/ receipt of such confirmation.

k) Foreign Currency Transactions

Foreign currency transactions are recorded in the reporting currency, by applying the exchange rates between the reporting currency and the foreign currency as on the date of the transaction.

l) Retirement and other employee benefits

Retirement benefit is in the form of Contributory Provident Fund (CPF) & National Pension Scheme (NPS) is defined contribution scheme. The contributions are charged to the Income and Expenditure Account when the contributions to the respective funds are due. There are no other obligations other than the contribution payable to the respective CPF/ NPS Trust.

Gratuity is the defined benefit obligations and the liability is provided for on the basis of valuation on projected unit credit method made at the end of each financial year by Life Insurance of India. The Scheme is funded with LIC of India in the form of qualifying insurance policy. Premium for qualifying policy are charged to Income and Expenditure account at the end of each financial year.

Leave encashment liability is provided on the basis of on projected unit credit method made at the end of each financial year. The scheme is funded with LIC of India in the form of qualifying insurance policy. And premium for qualifying policy are charged to Income and Expenditure account at the end of each financial year.

In compliance with AS 15 issued by the Institute of Chartered Accountants of India, the Institute is in the process of getting an actuarial valuation done by an independent certified actuary for gratuity and leave encashment valuation. Gain or Loss arising on account of actuarial valuation will be accordingly recognized.

m) Provisions

A provision is recognized when an Institute has a present obligation as a result of past event. It is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimates required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

n) Contingent Liability:

A contingent liability is recognized when there is:

(a) a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the enterprise; or

(b) a present obligation that arises from past events but is not recognized because:

(i) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or

(ii) a reliable estimate of the amount of the obligation cannot be made.

i) M/s Archinova Design Inc:

The Institute had appointed Project Management Consultant (herein after referred to as "PMC") M/s Archinova Design Inc, for the project on construction of IPC and Academic Block at IIP, Mumbai. With respect to the same, a contingent liability is disclosed herewith the notes to accounts as follow:

Particulars	Amount	Nature of Contingency
Balance of Professional Fee for acting as a PMC	10,23,875/-	The Governing Body has kept the payment on hold and the future outflow shall depend on the legal opinion to be obtained and the directions from the Dept. of Commerce, Ministry of Commerce & Industry, Govt. of India.
Obtaining the approvals from statutory authority for the construction of additional two floors i.e., 5th & 6th floors at Mumbai	16,52,000/-	The Claim is rejected by the Governing Body. As the Institute had received grant for construction of Ground + 4 floors only and accordingly the same has been constructed. There was no intention nor any actual work carried out for construction of additional floors.
Preparation of the estimate, tender document etc., for the implementation of centralised air conditioning system at IPC and Academic Block	20,69,100/-	The Claim is rejected by the Governing Body. As another tender was created & successfully executed for installation of Split AC, Cassette AC and ducting instead of Centralized AC approved earlier.

Particulars	Amount	Nature of Contingency
Project on construction of Students Hostel (including Director's Bungalow), Compound Wall, Drainage, Road & Electrical work at IIP, Mumbai.	(9,81,417/-)	On account of increase in actual cost of project as compared to the budget, the professional fee was restricted to the approved budget amount. Accordingly, the excess amount of Rs. 9,81,417/- to be recovered from the PMC or adjusted against future outflow to the PMC for other projects.
FIBC laboratory at IIP, Chennai.	4,92,485/-	The Governing Body has kept the payment on hold and the future outflow shall depend on the legal opinion to be obtained and the directions from the Dept. of Commerce, Ministry of Commerce & Industry, Govt. of India.
New academic block at IIP, Kolkata	15,24,711/-	The Governing Body has kept the payment on hold and the future outflow shall depend on the legal opinion to be obtained and the directions from the Dept. of Commerce, Ministry of Commerce & Industry, Govt. of India.
IIP Bangalore centre	27,25,801/-	The PMC had prepared the drawings and also submitted the details to Karnataka Industrial Development Board (KAIDB) for approval in 2015. However, the PMC submitted the Invoice after lapse of 4 years which clearly indicates about his lack of seriousness on this project. Moreover, the construction work has not been executed. Therefore, the entire claim is rejected by the Governing Body.
Total Contingent Liability	85,06,555/-	

ii) Property Tax on the newly constructed premises:

The Property Tax provision for the newly constructed projects as mentioned above has not been accounted in the books of accounts as the same cannot be reliably measured on account of several parameters for calculation of property tax.

iii) M/s. A.K.Builders

Particulars	Amount	Nature of Contingency
IIP Delhi	58,57,058/-	The Claim is in respect of Suit filed by M/s. A.K. Builders for recovery of excess amount after full and final payment. The Governing body had rejected such arbitrary claim of the builder. In pursuant to the same order is received from Delhi International Arbitration Court against which legal opinion will be sought.

3. Notes to Accounts**3.1 Income Taxes**

The Society is an autonomous body and involved in educational activity, research and quality certification and formulation of technical specifications of packaging for promotion of exports. The Governing Body of the Society has taken decision in its 199th meeting held on 7th January, 2012 to file an application to claim exemption of income under Income Tax Act 1961.

Accordingly, Institute had filed an application u/s 10(23C) of the Income Tax Act, 1961 with the Chief Commissioner of Income Tax (CCA) on 15.02.2012, seeking approval for exemption of its income. However, the Hon. Chief Commissioner of Income Tax, has denied exemption u/s 10(23C) of the Income Tax Act, 1961 vide order F.No. CCIT/MUM/10(23C) (iv)/373/2012-13 dated 28.02.2013.

Subsequently, Institute has filed Rectification application u/s. 154 of the Income Tax Act, 1961 on 17.07.2013 against the above said order dated 28/2/2013. However the same was also rejected vide order MUM/CC/(HQ)-Tech/10(23C)/373/2013-14 dated 09.10.2013.

The case was further taken up with the Revenue Secretary, Ministry of Finance, Department of Revenue (CBDT) (ITA.1 Division) by the Joint Secretary, Department of Commerce, Ministry of Commerce & Industry vide letter No. 14(11)/2013-TP dated 10.03.2014. In response, Finance Ministry, vide Letter F.No. 196/10/2014-ITA-1 dated 28.05.2014 has advised as under-

- a) The application for exemption u/s 10(46) of the Income Tax Act, 1961 may be filled along with the requisite enclosures as per the standardized format to the Commissioner of

Income Tax / Director of Income Tax under whose jurisdiction the entity falls, for seeking the notification of exemption and

- b) Thereafter the copy of the aforesaid application with its enclosures and the acknowledgement receipt as evidence of having furnished the application in the office of jurisdictional CIT/DIT is to be sent to the Under Secretary (ITA-1), Central Board of Direct Taxes.
- c) As suggested above, the Institute has filed an application for exemption u/s 10(46) of the Income Tax Act,1961 with the Chief Commissioner of Income Tax (CCA), Aaykar Bhavan, Mumbai on 11.09.2014. The Institute has not yet received any correspondence/ communication from the CCIT.

Hon'ble ITAT Order dated 11.04.2018 in respect of A.Y. 2012-13 & A.Y. 2013-14 was received wherein it was observed that the income of the Institute be considered as exempt u/s 11 of the Income Tax Act. Accordingly, Hon'ble ITAT in their Order directed the Assessing Officer to consider the observations stated in the said Order.

Considering the above Hon'ble ITAT Order, the Institute has not made any provision for taxation as on 31.03.2019.
