Ms. Pritee Chaudhary, IRS
Regional Director,
FSSAI West Region

Dr. Baburao Guduri
Joint Director,
IIP, Mumbai

Ms. Subhaprada Nishtala
Director In charge,
ITCFSAN

Message from Director, IIP Mumbai

Shri Rajesh Kumar Mishra, IRS, Director IIP

The Indian Institute for Packaging (IIP) is a nodal institute for training on packaging research and regulation including food packaging. IIP has once again collaborated with ITCFSAN to launch the third cohort of the food packaging and safety management course that focuses on functional knowledge and building capacity amongst personnel understanding the application of various food packaging perspectives & domestic regulations with respect to packaging and labelling.

An overview of the feedback received by the previous courses validates our efforts to re-program this initiative to benefit more patrons and build well-informed community. We look forward to a successful partnership in this version of the training program as well.

Message from Regional Director, FSSAI WR

Ms. Pritee Chaudhary, IRS, Regional Director, FSSAI WR

ITCFSAN is an unique platform under the aegis FSSAI that caters to the need of overall skill development for food ecosystem by keen individual focus on every aspect of Food Safety and Applied Nutrition.

The 3-month Weekend Certificate Course on Food Packaging and Safety Management highlights the impact of one of the most important parameters in Food Industry and encompasses all relevant areas of packing and safety. The collaboration with Indian Institute of Packaging synergises the expertise of both stakeholders, ensuring an excellent learning opportunity for the participants.

Message from Director In-Charge, ITCFSAN

Ms. Subhaprada Nishtala, Director In charge, ITCFSAN

ITCFSAN is committed to utilizing our infrastructure and network of eminent trainers to build a nodal centre of technical education in food safety and applied nutrition. Food Packaging Safety is a key area of interest for industry and ITCFSAN aims to bridge the gap between textbook knowledge and practical implementation by bringing forth a training program that encompasses industry and regulatory points of view in the area of food packaging and safety management. We have always been mindful of the needs of our stakeholders and keenly prioritize our attention on constructing an ecosystem of updated professionals through the unique pedagogy of trainings adopted by the centre.

3-MONTH WEEKEND CERTIFICATE COURSE ON FOOD PACKAGING & SAFETY MANAGEMENT

ITCFSAN is a unique training facility that is a testimony for an international collaborative effort exemplifying the importance of partnerships and collaborations. The centre is established through an alliance between food regulatory bodies of India - viz., Food Safety and Standards Authority of India (FSSAI) and Export Inspection Council (EIC) - and Global Food Safety Partnership (GFSP), an initiative of the World Bank. The alliance marks the coming together of prominent stakeholders with a purpose to ensure global safety and nutritional quality of food in the supply chain.

The Indian Institute of Packaging (IIP) is a national apex body which was set up in 1966 by the packaging and allied industries and the Ministry of Commerce, Government of India, with the specific objective of improving the packaging standards in the country. The Institute is an autonomous body working under the administrative control of the Ministry of Commerce. The Institute endeavors to improve the standard of packaging needed for the promotion of exports and create infrastructural facilities for overall packaging improvement in India.
