**Training Programme**

# **Packaging of Fresh & Processed Food**

**3rd - 4th November, 2022**

**Venue: Indian Institute of Packaging, Mumbai**

## About IIP

The Indian Institute of Packaging was set up as a National Institute jointly by the Ministry of Commerce, Government of India and the Indian Packaging and Allied Industries, in 1966 with its Headquarters and Principal Laboratories at Mumbai and other Laboratories at Kolkata, Delhi, Chennai, Hyderabad and Ahmedabad.

## Programme Theme:

Food packaging has played a significant role for opening up of the economy as well as for increasing the shelf life of the fresh and processed food products in the country. In the recent years, many new developments in the packaging materials, technology and systems has opened up new possibilities and opportunities for manufacturing, marketing & exports in addition to reducing the total cost effectively.

These programmes is aimed to discuss various packaging options for Fresh & Processed Foods viz. Paper, metal, glass and plastic based Materials and technologies. These programmes will also cover trends and developments in some of the key areas in packaging.

participating will be benefited by interacting with speakers to upgrade the knowledge in the field of food packaging which will help them to improve upon their day to day operational system.

## Faculty:

Experts from Industry, besides Institute's own faculty.

## Who Must Attend:

Persons from food processing/ Packaging Material Manufacturers/ Convertors / User Industry, Packaging Machinery Manufacturers/Research & Development/ Quality Assurance/Purchase & Planning etc. may attend the programme.
